# SUBSTATION – UP TO 220KV

We Have Completed EPC More Than 40 Sub – Station Work

## SCOPE OF WORK

- Designing & Engineering
- Layout & SLD Work
- All Required Approval
- All Material supply
- Erection
- Testing
- Commissioning
- Charging
- Operation & Maintance

# O.H. TRANSMISSION LINE UP TO 220KV

We Have Completed More Than 250 Km Transmission Line Work

## SCOPE OF WORK

- Route Survey & Alignment
- Profile & Check Survey
- All Required Approval
- All Material supply
- Erection Work
- Testing
- Commissioning
- Charging

# UG CABLE LINE – UP TO 220KV

We Have Completed More Than 50 Km Transmission Line Work

## SCOPE OF WORK

- Survey
- Route Alignment
- All Required Approval
- All Material supply
- Trenching & Cable Laying
- Testing
- Commissioning
- Charging

# CIVIL WORK

We Have Completed More Than 40 Sub-Station Civil Work

## SCOPE OF WORK

- Site Survey
- All Required Approval
- Soil Testing
- Structure Designing & Engineering
- All Material supply
- Construction
- Foundation

# SOLAR PROJECT WORK

## SCOPE OF WORK

- Site Survey
- Land Acquisition
- All Required Approval
- Liasioning
- Designing & Engineering
- All Material supply
- All Type of Civil Work
- Installation & commissioning
- charging

## COMPANY VISION
